Dear Ms. Tyndle:

This is an amendment to our July 14, 1996 amendment which concerns the Twelve Days before the Primary Election report (April 1 - April 22, 1996). We discovered a typographical error:

Line 24, line 25, and line 26 of the detailed summary sheet had typographical errors. The numbers were incorrectly drawn from Column B instead of Column A. This caused line 27 (cash on hand) to be incorrect and then this was incorrectly reported on the summary page. Attached is the corrected summary page and detailed summary page.

Boucher for Congress apologizes for these errors. As we discussed, I have had a very difficult pregnancy and I take full responsibility for these mistakes. We have consistently disclosed more information than required and made a concerted effort to follow the FEC guidelines carefully. Thanking you for your time in advance, I am

Sincerely,

A handwritten signature in cursive script, appearing to read "Michelle Prosser".
